

Welcome New
Volunteers!

HRM Mission

Hope Restored Missions is committed to restoring hope to the poor, especially the homeless community, through ongoing supportive relationships that provide advocacy, guidance, and resource connections so that our less fortunate neighbors can overcome barriers and reach their full life-sustaining potential.

RESTORING HOPE IS THE ONLY MISSION

HOPE BEGINS HERE!

Thank you

Thank you for beginning the process to help change lives and restore hope for the homeless in our community.

Street Outreach

Our Outreach program meets people where they are and spreads awareness of Hope Restored and the programs and services we provide. We partner with other organizations and provide food, spiritual healing, and access to many forms of aid they may not otherwise be aware of.
